HarborSwap — Terms of Service

Last Updated: September 15, 2026

Welcome to HarborSwap. These Terms of Service ("Terms") govern your access to and use of the HarborSwap website, decentralized exchange interface, and related services (collectively, the "Services").

By accessing or using the Services, you agree to be bound by these Terms. If you do not agree, you must discontinue using the Services.

1. Description of Services

1.1. HarborSwap provides a software interface that enables users to interact with decentralized blockchain protocols and execute cryptocurrency swaps.

1.2. The Services allow users to connect compatible cryptocurrency wallets, view token prices, select trading pairs, and submit blockchain transactions.

1.3. HarborSwap does not operate the underlying blockchain networks. Transactions are executed through independent smart contracts and blockchain infrastructure.

1.4. HarborSwap may introduce, modify, suspend, or discontinue any functionality at its discretion.

2. User Eligibility

2.1. Users must be at least eighteen (18) years old and have the legal capacity to accept these Terms.

2.2. Users are responsible for ensuring that their use of the Services complies with applicable laws in their jurisdiction.

2.3. By using the Services, you represent that you are authorized to conduct cryptocurrency transactions under the laws applicable to you.

3. Wallets and Digital Assets

3.1. Users access the Services by connecting their own cryptocurrency wallets.

3.2. HarborSwap operates as a non-custodial interface. Users retain exclusive control over their private keys and digital assets.

3.3. HarborSwap does not collect, store, or possess users' private keys, seed phrases, or wallet recovery credentials.

3.4. Users are solely responsible for maintaining the security of their wallets and safeguarding their private keys.

3.5. HarborSwap cannot restore access to lost wallets or recover private keys on behalf of users.

4. Transactions

4.1. Users may submit transactions through the interface by connecting compatible wallets and approving the relevant blockchain interactions.

4.2. Transaction execution depends on the availability and operation of the relevant blockchain network and smart contracts.

4.3. HarborSwap displays estimated transaction prices, exchange rates, and applicable network fees.

4.4. Users are responsible for reviewing transaction details before approving transactions through their wallets.

4.5. Once submitted to a blockchain network, transactions generally cannot be cancelled or reversed through the HarborSwap interface.

5. Fees

5.1. HarborSwap may charge interface or service fees for certain transactions.

5.2. Users are responsible for applicable blockchain network fees, including gas fees.

5.3. HarborSwap may change its fee structure by publishing updated information through the interface.

5.4. Fees associated with completed blockchain transactions are generally non-refundable.

6. Third-Party Services

6.1. The Services may integrate third-party software, decentralized protocols, price feeds, and blockchain infrastructure.

6.2. HarborSwap does not operate or maintain all third-party services accessible through the interface.

6.3. Users may be required to accept additional terms imposed by third-party service providers.

6.4. HarborSwap may change or discontinue third-party integrations without prior notice.

7. Service Availability

7.1. HarborSwap uses commercially reasonable efforts to maintain the availability and functionality of the Services.

7.2. Scheduled maintenance, infrastructure changes, or unexpected technical issues may temporarily affect access.

7.3. Users may contact the support team if they experience difficulties accessing or using the Services.

7.4. HarborSwap may release software updates and improvements at any time.

8. Intellectual Property

8.1. HarborSwap and its licensors retain ownership of the website, interface design, trademarks, and proprietary software.

8.2. Users receive a limited, non-exclusive, revocable license to access and use the Services in accordance with these Terms.

8.3. Users may not reproduce, distribute, or commercially exploit proprietary components without authorization, except as permitted by applicable law or separate open-source licenses.

9. Suspension and Termination

9.1. HarborSwap may suspend or restrict access to the Services if a user violates these Terms.

9.2. HarborSwap may discontinue individual features or the entire interface.

9.3. Termination of access to the interface does not automatically terminate a user's independently controlled blockchain wallet.

10. Limitation of Liability

10.1. Any liability arising from the provision or use of the Services shall be determined in accordance with applicable law.

10.2. Users may contact HarborSwap regarding technical incidents or disputes arising from the operation of the interface.

10.3. Nothing in these Terms excludes liability that cannot lawfully be excluded.

11. Changes to These Terms

11.1. HarborSwap reserves the right to modify these Terms.

11.2. Updated Terms become effective when published on the website.

11.3. Continued use of the Services following publication constitutes acceptance of the updated Terms, to the extent permitted by applicable law.

12. Governing Law

12.1. These Terms shall be governed by the laws of the British Virgin Islands.

12.2. The parties shall attempt to resolve disputes through good-faith negotiations before initiating formal proceedings.

12.3. Nothing in this section limits mandatory rights that cannot be excluded under applicable law.
